

# Updating Assigned Vehicle(s) to Existing Permit

Login to the Permit Portal: <https://illinoisstate.thepermitportal.com/>

**Go to My Permits and select to View the permit for which you would like to update the vehicle.**

In the Permit Details page, scroll down to the Selected Vehicle section. Here you will be able to:

### Add a New Vehicle

The screenshot shows the 'SELECTED VEHICLE' section with a link to add a new vehicle. A blue box highlights the link, and an arrow points to the 'VEHICLE INFORMATION' modal. The modal contains fields for Plate Number, Make, Model, Color, Year, and State / Province, along with 'Close' and 'Save' buttons.

**SELECTED VEHICLE ?**

To Add a new vehicle, click [here](#).

To Add an existing vehicle to this permit, please select from the drop down

No Selection

Plate Number	Make	Model
TEST123	Acura	CL

**+ VEHICLE INFORMATION**

Remove Vehicle Confirmation

X

The selected vehicle TEST123 will be removed from this permit.

Cancel

Confirm

The image shows a web application interface for managing vehicles. At the top, there's a section titled "SELECTED VEHICLE ?" with instructions on how to add new or existing vehicles. Below this is a dropdown menu currently showing "No Selection" and a "Save" button. A table below lists vehicles with columns for Plate Number, Make, Model, Color, and Action. The first row shows a vehicle with plate number "TEST123", make "Acura", model "CL", and color "Black". In the Action column for this row, there are two icons: a pencil (edit) and a trash can (delete). A blue arrow points from the trash can icon to a modal dialog box titled "Remove Vehicle Confirmation". The dialog box contains the text "The selected vehicle TEST123 will be removed from this permit." and has "Cancel" and "Confirm" buttons at the bottom.
